Fraud Order Is Issued Against Chicago Firm

The Postoffice Department today is sued a fraud order denying the mails to the Oxybon Company and Ben A. Hallgren, of 208 North Fifth avenue, Chicago. This action follows similar orders against the Oxygoner Company, the Oxypather, and other alleged oxygen cures for everything from grip to measles, and from corns to dand-

off.

The oxybon is described in the order as an instrument by which it was claimed diseases can be cured by put-ting a metal plate on one end in cold water and helding to hand terminals on the other end.

RUSSIA GETS STEEL CHEAPER THAN U. S.

Official of Bethlehem Works Declares Different American Presidents Desired Increase.

An admission that the Bethlehem ar nor works had sold armor plate to Russia cheaper than to the United States, and an explanation, was made to the Senate Naval Affairs Committee today by President E. G. Grace. field of sale.

asked Senator Phelan of California. Grace answered yes.

Phelan then pointed out that, according to another table of costs submitted as evidence by the company the Russian contract should have been profitable. Somewhat puzzled by the apparent discrepancy, Grace promised a full explanation later. promised a full explanation later.

Grace said his company, from 1837
to the Wilson Administration, had
been assured yearly that the various
Presidents wished the industry developed. On this, he based his argument that the Tillman measure, looking toward a Government plant, was
an injustice, since it would jeopardize
a \$7,10000 investment erected at
Governmental behest.

Asked for proofs of the Governmental he hest.

Asked for proofs of the Governmental requests, he replied that the let ters had been destroyed in the recen

He asserted that in the government plant in Japan, armor rlate costs \$490 a ton, or more than this Government rays his company. As to a report by haval inspectors that the armor which naval inspectors that the armor which sells around \$430 a ton could be man-ufactured for \$262, he said these fig-ures did not include taxes, insurance, return on investment, depreciation, and administration costs.
